

# Board Vitals: Preventive Medicine

---

**Release date:** November 15, 2016

**Expiration date:** November 15, 2018

Estimated time to complete activity: Up to 40 hours

## Overview

Board Vitals provides a high-quality, effective, and a powerful board review tool that is used by practicing physicians, residents, and medical students.

A question bank for Preventive Medicine Physicians provides up-to-date questions, and explanations with answers. The full-length practice exam is a means to judge one's overall preparedness and a way to compare with their peers to estimate what their score might be on the board examination.

## Target Audience

The target audience consists of practicing physicians, residents, and medical students specializing in Preventive Medicine.

## Learning Objectives

Upon completion of this activity, participants should be able to:

- Demonstrate advanced knowledge across specialty areas such as epidemiology, biostatistics, mental health, and clinical preventive medicine.
- Apply principles or regulations to situations faced by specialists.
- Define and classify topics across the specialty area that occur in practice.
